

## PLANT SALE – May 28<sup>th</sup>

Our Plant Sale is our biggest fundraiser. We have to be successful in order to pay for great speakers, pay our rent, contribute to community gardens and tree plantings and give premiums to our members etc.

The Plant Sale will be held at the Leslie Log House on **Saturday, May 28<sup>th</sup>**. We ask all of our members to dig up plants from their gardens, place them in plastic grocery bags and remember to include (in a zip lock bag or similar) the name of the plant and what color the flowers are.

Take your bags of plants to any of the following locations and drop them off:

Carol Ashford	1750 Melody Drive
Monica Ross	6978 Chilcot Court
Dean Scully	6592 Eastridge Road
Janice Ward	3157 Alfresco Terrace
Grace McElhinney	1623 Summergrove Cres.

We will pick up your bags of plants and take them to our **potting up area at 7767 Churchville Road** for division and potting.

### ***Potting Up Dates at 7767 Churchville Road are:***
